

NEON FLUX INTERIOR DESIGN

FULL INTERIOR DESIGN SERVICE

In-person across Melbourne.
Available virtually Australia-wide.

THE SHORT VERSION

Whole home not quite working for how you live or planning a new home build? I'll design a cohesive, functional home with smart layouts, finishes and clear documentation you and your trades can use without the back and forth.

WHAT YOU GET

- Concept design with space planning across your rooms
- Scaled floor plans with dimensions
- Key elevations where required for wet areas and joinery
- Finishes and fittings schedules with supplier links and current pricing
- Lighting and power plan recommendations
- Indicative 3D SketchUp views for key spaces
- 2 rounds of consolidated revisions
- PDF deliverables ready for your builder and trades

Excludes ordering or purchasing, furniture and decor selection and styling. This is a design and documentation service that saves you time, guesswork and rework.

WHO THIS IS FOR

- Renovating or planning a new build and want a clear direction
- You want a practical plan and a documented spec before you spend
- You are happy to order products yourself or hand the pack to your builder and trades

INDEPENDENT ADVICE

HOW IT WORKS

01. ENQUIRY

Complete the [Design Project Enquiry Form](#). I'll reply with my recommendation, next steps and a quote.

02. PREP

Send any relevant materials. For in-person projects we'll schedule a site visit. For virtual we meet on Google Meet.

03. KICK-OFF

We review your brief, walk through the spaces or photos and align on priorities.

04. DESIGN

I develop layouts, elevations, finishes and documentation.

05. REVIEW

Review your pack, provide feedback within 7 days. Two consolidated rounds of revisions are included depending on scope.

06. DELIVERY

You receive a PDF pack with plans, elevations, 3D views and finishes and fittings schedules with supplier links and current pricing.
