

NEON FLUX INTERIOR DESIGN

KITCHEN DESIGN SERVICE

In-person across Melbourne.
Available virtually Australia-wide.

THE SHORT VERSION

Kitchen not working for how you cook, charge, store or gather? I'll design a smart, beautiful kitchen that fits your home and your budget, then hand you a clear pack your builder can use without the back and forth.

WHAT YOU GET

- Concept design with a layout that flows and configuration that works
- Scaled floor plan with dimensions
- Elevations for key walls and cabinetry
- Appliance and fixture positions and notes
- Finishes and fittings schedule with supplier links and current pricing
- Lighting and power plan recommendations
- Indicative 3D SketchUp views (with indicative finishes, not full photoreal renders)
- 2 rounds of consolidated revisions
- PDF deliverables ready for your builder or cabinet maker

Excludes ordering/purchasing and styling. This is a design and documentation service that saves you time, guesswork and rework.

WHO THIS IS FOR

- Renovating an existing kitchen or planning a new build
- You want a practical plan and clear specs before you spend
- You're happy to order products yourself or pass along to your builder/trades, but want a professional design

INDEPENDENT ADVICE

HOW IT WORKS

01. ENQUIRY

Complete the [Design Project Enquiry Form](#). I'll reply with my recommendation, next steps and a quote.

02. PREP

You'll send any relevant materials. For in-person projects we'll schedule a site visit. For virtual we meet on Google Meet.

03. KICK-OFF

We review your brief, walk through the space or photos and align on priorities.

04. DESIGN

I develop your layout, elevations, finishes and documentation.

05. REVIEW

Review your pack, provide feedback within 7 days. One or two consolidated rounds of revisions are included depending on scope.

06. DELIVERY

You receive a PDF pack with plans, elevations, 3D views and a finishes and fittings schedule with supplier links and current pricing. Hand it straight to your builder and/or trades.

THE IMPORTANT STUFF

INVESTMENT

Kitchen Design (concept to client-ready pack)

From \$5,150AUD

Pricing varies with room size, complexity and joinery detail.

TIMELINE

Most kitchen packages are delivered in 3–5 weeks from kick-off, depending on response times and revisions.

WHAT I NEED FROM YOU

- Basic measurements and photos or existing plans
- Your budget
- Any must-keep appliances or items
- Your inspiration or vibe

FAQS + NEXT STEPS

DO YOU DO FULL PHOTOREAL RENDERS?

Available as an add-on. Standard service includes indicative 3D SketchUp views.

CAN YOU HELP CHOOSE APPLIANCES?

Yes. I'll position them in the plan and can suggest models to suit your budget.

DO YOU PROJECT MANAGE THE BUILD?

This service doesn't include project management. I provide a clear pack for your builder or cabinet maker.

IN-PERSON OR VIRTUAL?

Both. In-person across Melbourne Metro and virtual Australia-wide.
