

NEON FLUX INTERIOR DESIGN

PROJECT REVIEW SERVICE

In-person across Melbourne.
Available virtually Australia-wide.

THE SHORT VERSION

Already have plans or a design but want a second set of expert eyes? I'll review your drawings and selections, flag risks and missed opportunities, then give you clear, actionable recommendations.

WHAT YOU GET

- Review of your supplied plans, elevations and schedules
- Marked-up PDFs with comments and suggested changes
- Priority list of fixes and quick wins
- Builder-ready notes and clarification where needed
- Optional 30–45 minute Google Meet to walk through key points
- 1 round of consolidated follow-up questions by email

Excludes redesign and new drawings. If you decide you need additional design work after review, I will quote to upgrade to a design package.

WHO THIS IS FOR

- You have drawings from an architect, drafts person or cabinet maker
- You want confidence before you sign off or tender

FAQS + NEXT STEPS

WILL YOU REDRAW MY PLANS?

Not in this service. If redraws are needed I can quote a design package.

IN-PERSON OR VIRTUAL?

Both. File-based reviews work well virtually Australia-wide.
